

ROCK LILY

dog friendly cottages

Rock Lily offers dog friendly Mountain Retreats.

Privacy, seclusion, a sense of the wide open spaces, and spectacular mountain views from two cosy self-contained mudbrick mountain cottages.

Located on our 100 acre property, they face the Wadbilliga Wilderness Mountains and National Park.

We welcome dogs and they are allowed inside the cottages. There is a fenced yard beside each cottage, and a mowed track for walkies.

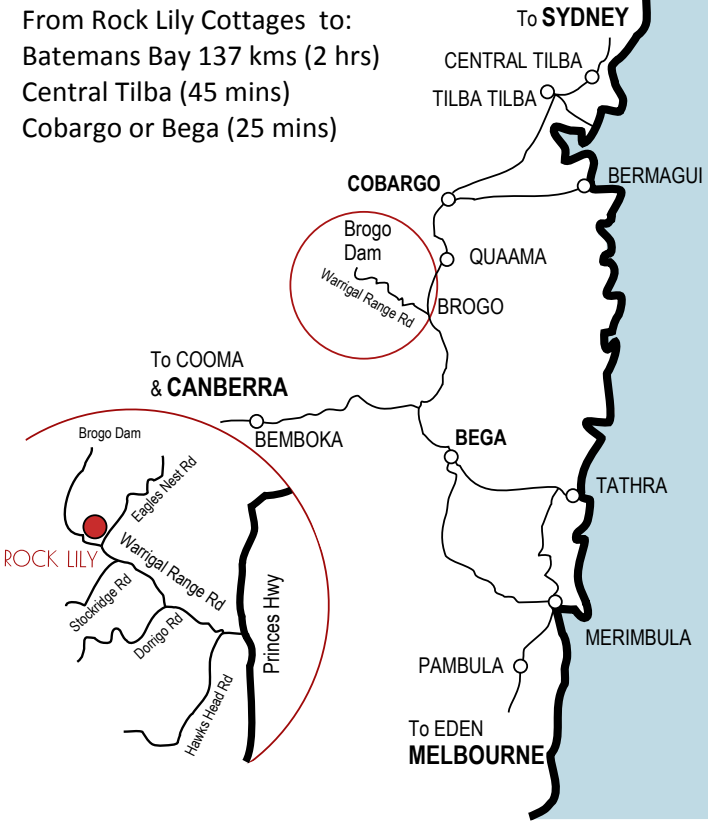

Check availability, tariffs, or make a booking online through our website.
